

Little Figs Summer Camp

- 2012 -

Fig Garden Swim & Racquet Club is proud to offer our *Little Figs Summer Camp* program. Designed for children ages 3 to entering kindergarten, our program offers a safe and nurturing environment where children can experience hands-on learning and independence while learning developmental skills. A day at camp may include activities such as arts & crafts, tennis, tot-yoga, soccer lessons, tumbling classes and water activities. Each camp lasts one week with a total of eight fun-filled weeks to accommodate your family's busy summer schedule. Our team of counselors, under the direction of Leanne Johnston, with a degree in child development, is trained to meet the needs of young children to ensure the best of care.

For additional information on our *Little Figs Summer Camp*, please call Leanne Johnston at the Club or e-mail her at leanne@fig-garden.com.
