## Cost

Junior Match Play is \$150 which includes ALL practices for the 7 weeks as well as the USTA junior membership needed to participate in the Friday matches.

This summer we are going to put a heavy emphasis on our Junior Match Play exposure and experience. With clinics, lessons and practice, our juniors are taught the fundamentals of tennis. However, match play is essential to overall junior development. On Monday & Wednesday afternoons from 1:00 p.m-2:00 p.m., we will set up matches and coach the juniors as they play. On Friday mornings we will travel to other local clubs for team competition. This program is designed for the intermediate junior all the way up to the advanced player. If you have any questions about the program or would like to enroll, please contact Chantel Wiggins at 222-4816 or [Chantel@fig-garden.com](mailto:Chantel@fig-garden.com). We look forward to seeing all of our juniors working towards their next level of play this summer.
